PROFILE:

UX/UI designer focused on creating accessible, user-centered digital experiences. Skilled in visual design, prototyping, and usability testing with Figma and Miro. Builds on CareerFoundry's UI Design Program with 10+ years of expertise in communication and presentation, ensuring designs are both intuitive and impactful.

PROJECTS:

ReGo Market - Second-hand Fashion App

(UX Researcher & UI Designer)

- Designed a responsive shopping app with a clean, trustworthy identity.
- Created wireframes, built a design system, and ran usability tests with AI note-taker.

Pawpilot – Dog-Friendly Location App

(UX Researcher & UI Designer)

- Conducted interviews, built personas, and tested responsive layouts through preference tests and critique sessions.
- Produced a clickable prototype with strong UI hierarchy and positive peer/user feedback.

EXPERIENCE:

UI Designer (Bootcamp) – CareerFoundry, Düsseldorf

MARCH 2025 - DECEMBER 2025

- Covered research, wireframing, prototyping, design systems, usability testing, and responsive design.
- Currently completing the specialisation **Frontend Development for Designers** (HTML, CSS, JavaScript).

Language Trainer

APRIL 2007 - PRESENT

- Designed and delivered personalised digital learning experiences for individual and group clients using Miro and Notion.
- Developed engaging lessons across age groups, adapting teaching methods and fostering clear communication.
- Provided tailored English training for multinational companies including **Pfizer LLC, Wimm-Bill-Dann Foods OJSC, PJSC SIBUR Holding, and STRABAG SE.**
